Bottom Row – left to right.

We wish we could tell you the story of each of these graduates and the amazing things that God has done in their lives. DUI schools completed and drivers licenses issued, legal and court issues dealt with, emotions healed, family relationships restored, disciples were born and so much more. I asked one of them to share with you about his time at Joshua House:

Hello, my name is Sye Orr and I'm 49 years old. I came to Joshua House June 2, 2023. I have been involved in Bible studies, 12 step meetings and one on one meetings with Gabriel Mejia, a staff member. He is a brother who has put so much love into me and taught me about Jesus. Joshua House has helped me to learn how to be kind, caring, trustworthy, loving and understanding. I get love from all of the brothers here. I now have a growing relationship with God. My pastor, Jim Glynn, made me feel good about myself and gave me a family. I have a prayer life now and I read my Bible all the time. Joshua House has helped me keep my life together and given me a new life with Christ.

*Your love, support and prayers are what makes all that we do possible.  
With Love – Winston, Miles, David, Gabe, John, Jim and Laura and the entire staff  
of Hope Restoration Ministries.*
